

Your partner for  
medical furniture

## A Sense of Company

With more than 90 years of experience, SCHMITZ is one of the leading international manufacturers of medical products.

A family-owned business with a living tradition. Our typical employee has been with the company for some 18 years, proof of how strongly they identify with our values and philosophy.

In 2012, the company's management passed to Friedrich and Matthias Schmitz, the fourth generation of the family.

We are proud to be located in Germany and are deeply rooted in our home region. We develop and manufacture here.

90% of our suppliers are from Germany, of which 60% are from the local region.

## Made in Germany

---

*'The transition to the next generation is always something special.'*

## **A Sense of Care**

We understand the services which are our lifeblood, and aim to achieve maximum customer satisfaction. From consulting through planning to installation.

Cost-effectiveness through longevity is what you can expect from us.

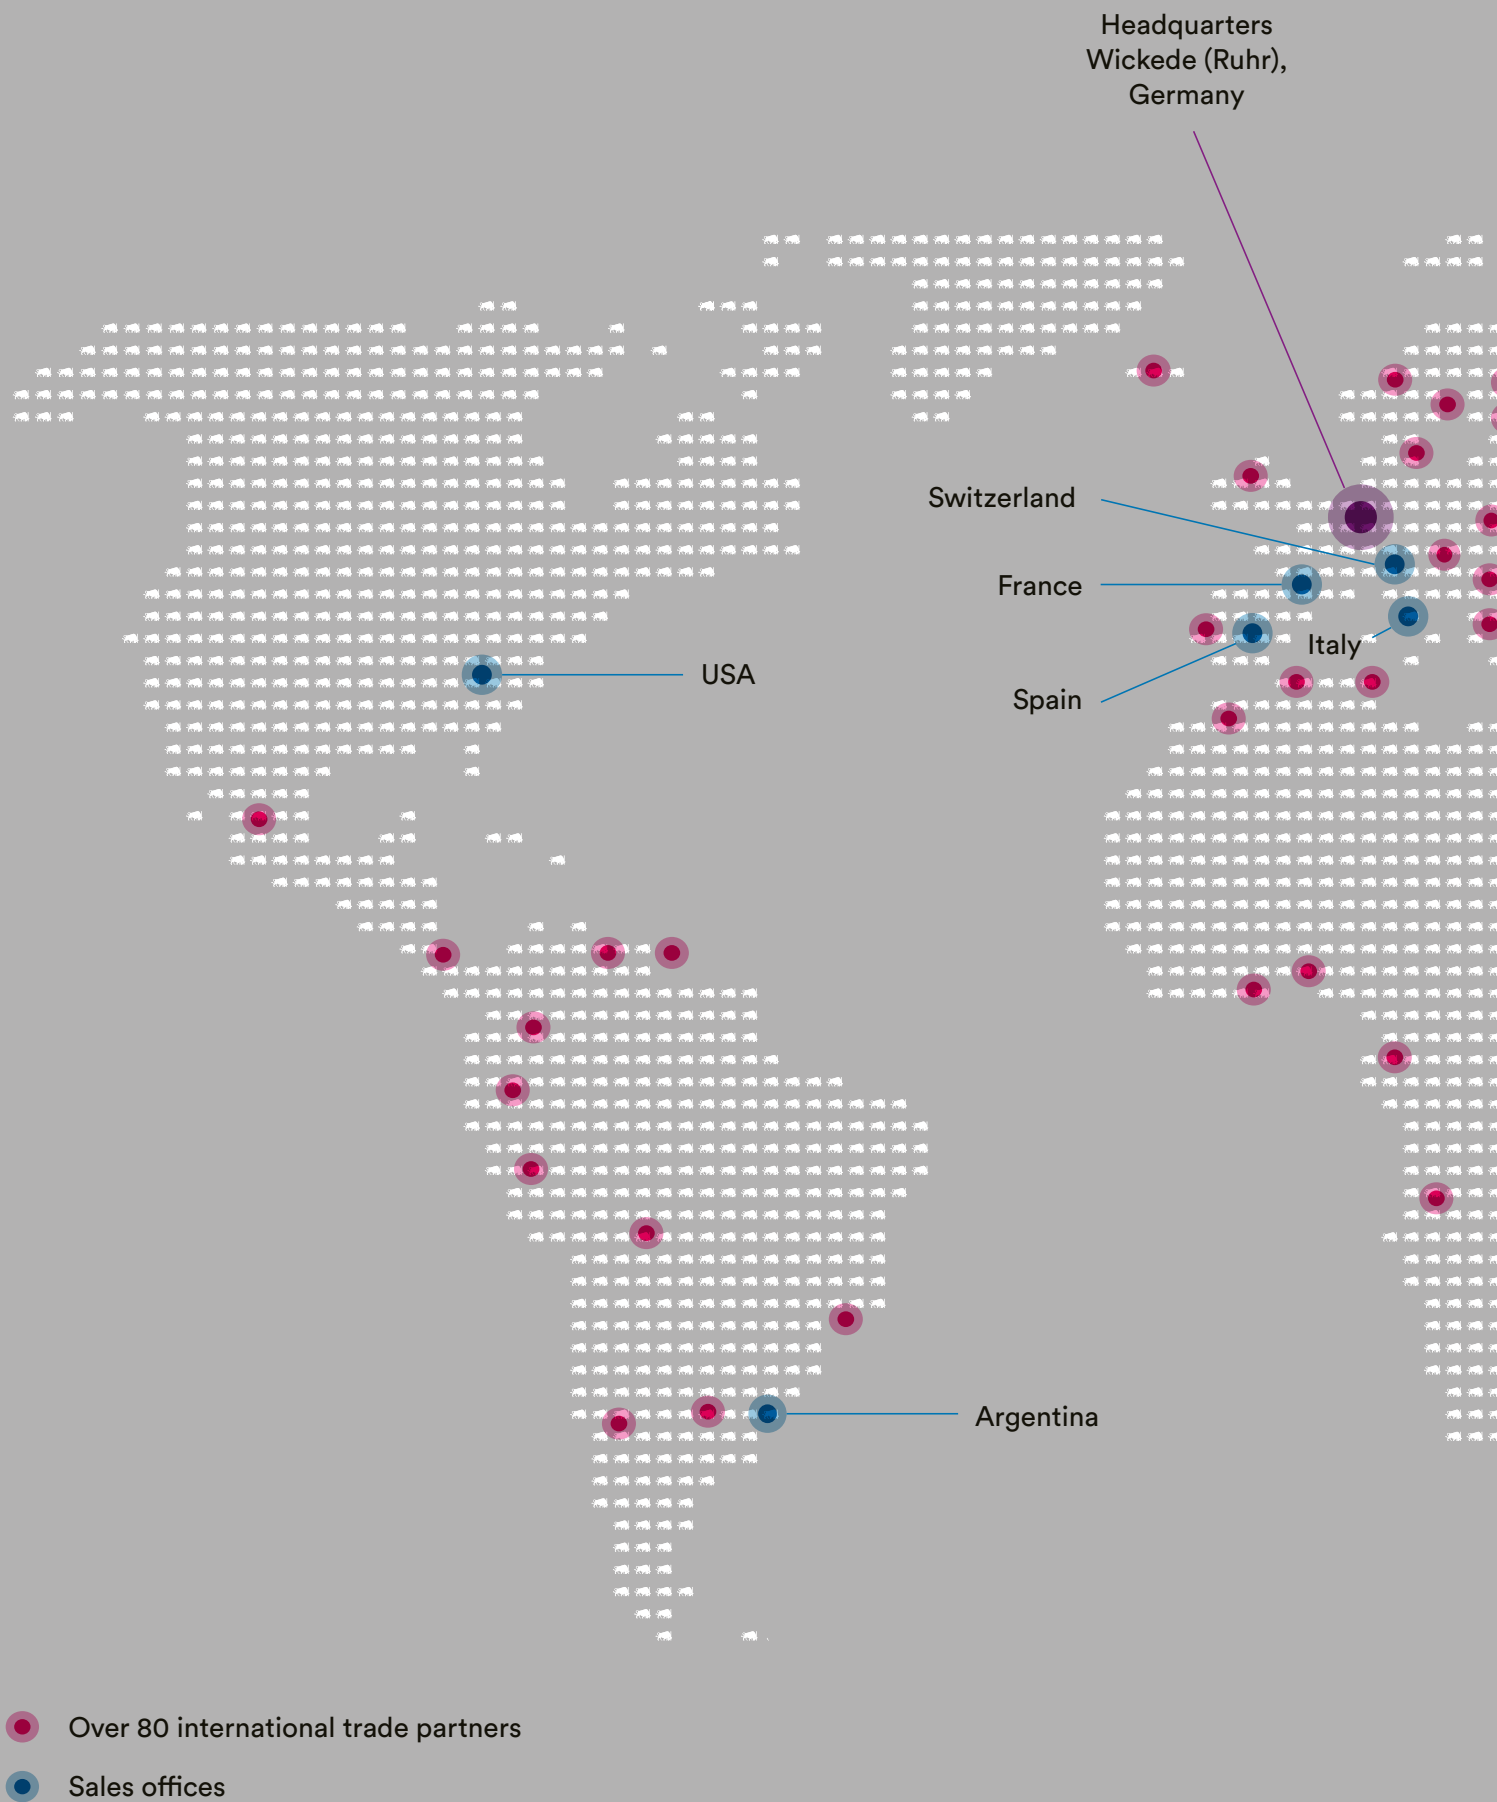

With a well thought-out service concept and comprehensive support, SCHMITZ works alongside you as partner from start to finish.

## **Model and material description**

### **Couches**

Tubular steel frame 40 × 20 mm, pair of feet 30 × 30 mm, powder-coated or chrome-plated. With levelling feet to compensate for floor unevenness. Head section with 2 adjustment mechanisms, 100% metal.

### **medi-net**

Tubular steel frame 20 × 20 mm, plastic enamel coated.

### **Castors**

All castors are non-marking and resistant to abrasions.

### **Drawers**

Drawers run on precision ball-bearing slides.

### **Handles**

of ergonomic design, distance of holes: 192 mm. The bowed bar handles are chemical resistant, easy to clean and to disinfect.

### **Powder coated finish**

of high quality, multilayer gloss paint of extreme knock and scratch resistance. Easy to clean. Resistant to climatic conditions and disinfectants.

### **Standard finish of tubular steel frames**

e.g. for couches: grey white RAL 9002, white aluminium RAL 9006, grey aluminium RAL 9007 or chromium-plated. Please refer to the different model descriptions.

### **Frames of couches, medi-net trolleys or stool bases**

are also available in other colour acc. to colour chart at extra charge.

### **Further special powder coatings**

acc. to RAL colour chart on request!

**Upholstery**

Foamed material on a support plate, with first-class, hard-wearing leatherette covers in two qualities.

**Leatherette comfort (available for an additional charge): 15 colour tones**

Wear-resisting material, with high resilience and flexibility providing excellent sitting and lying comfort. Grained surface.

**Leatherette classic (available at no extra charge): 4 colour tones**

Hard-wearing, flexible material. Smooth surface.

**We recommend:****Accessories for upholstery cleaning**

Model No.	Description
<b>2019878</b> (w/o ill.)	<b>Special cleaner for leatherette</b> 500 ml spray bottle (packaging unit 3 bottles)
<b>2026973</b> (w/o ill.)	<b>Cleaning set for leatherette</b> 1 × 500 ml spray bottle and a brush
